

CARPENTRY RENOVATION AND TECHNIQUES (CRPG)

Ontario College Certificate | 2 semesters | Barrydowne

In just 28 weeks, you will gain the skills necessary to enter the construction and renovation sector. You will develop practical construction skills through hands-on activities while also gaining a basic understanding of how to plan, estimate, manage, and deliver a typical renovation project. You will also learn to identify hazardous practices and adhere to safety standards on the job site, emphasizing personal safety and safe environmental practices at all times.

Program Highlights

- 1 year – 2 semesters
- Courses cover many aspects of carpentry and renovation projects, including planning, estimating, building codes, framing, welding, and more
- Hands-on experience in the carpentry shop and through projects
- Safe working practices are emphasized throughout the entire program in all courses

¹ Course with lab component.

Fees

Tuition and Ancillary Fees

Please see our fees page (<http://cambriancollege.ca/fees/>) for the breakdown of tuition and mandatory ancillary fees by program and semester for both domestic and international students.

Books & Supplies

The cost of books and supplies for Year 1 is approximately \$1,400. This is the best information available at the time of publishing to the website and is subject to change.

Graduate Options

Employment Opportunities

As a graduate, you will find entry-level employment in the construction industry. Recent graduates have enjoyed success in residential construction and renovation, commercial construction, entrepreneurship, and membership in the carpenter's union.

College/University Degree Opportunities

Graduates from this program may continue their studies at college/university and may receive credit for their prior College education.

Refer to College/University Agreements (<http://www.cambriancollege.ca/agreements/>) for further information.
