

PROJECT MANAGEMENT - GRADUATE CERTIFICATE (PMPD)

Ontario College Graduate Certificate | 2 semesters | Barrydowne

Project Management has become a sought after skillset across industries as businesses and organizations continue to look for efficiencies and overall effectiveness in order to successfully compete in domestic and global markets. Cambrian College's one-year (two semester) graduate certificate program will provide you with the essential theoretical and practical knowledge, skills and techniques to successfully plan, implement, manage and evaluate projects. The curriculum is closely aligned to, but not affiliated with, the Project Management Institute's (PMI) Project Management Body of Knowledge (PMBOK). To learn more about becoming a certified project management professional, please visit the PMI's website (<http://www.pmi.org/>).

Program Highlights

- 1 year - 2 semesters
- Intakes: September, November, January, March, May and July

Quick Links

How to Apply (<http://cambriancollege.ca/apply/>)

Business and Information Technology (<http://cambriancollege.ca/field-of-study/business-and-information-technology/>)

Admission Requirements

Applicants must be graduates of a diploma, advanced diploma, or degree program from an Ontario College or equivalent.

OR

Applicant must possess five years of work experience in a related field (or combination of education and work experience) as judged by the College to be equivalent. Applicants must submit a resume detailing their related experience and a cover letter outlining their competencies and preparedness for the program (any and all postsecondary transcripts must still be submitted).
